Theodore Carpin

**Served Navy
And CIA for
Many Years**

Theodore Carpin, 72, a native of Ozerany, Ukraine, who was an employee of the CIA for many years, died of cancer Monday night at Doctors Hospital.

Mr. Carpin served with the Navy Department during World War II, and was the recipient of the "E" award, the Navy's highest recognition for marked superiority in the production of naval equipment. After the war he joined the CIA, from which he retired ten years ago.

Surviving are his wife, Julia, and a daughter, Lida, of the home address, 2148 Florida ave. nw.
